Herning welcomes you!

With a local population of 84,000 citizens and a surrounding area population of 2.6 million, the municipality of Herning is known as a textile town, and for its trade fairs, conferences, culture and schools.

Herning has more than 25,000 active athletes being members of more than 100 sports clubs. The municipality gives high priority to sports facilities for elite athletes as well as the athletes within sports for all. The area is most famous for its handball, soccer, ice hockey and cycling. All sport events enjoy large local support and great enthusiasm.

Herning is a fantastic event city. It is a central part of the city Council of Herning's strategy to host major sport events on an international level. The city of Herning has, already, considerable experience in organising large events, such as the 2009 World Wrestling Championships and the Women's EHF EURO 2010 Final.

In Herning you can take a walk down one of Denmark's longest pedestrian streets with shops on both sides and down the side street. End your shopping trip with a nice salad at one of the good and cosy cafés and restaurants or see a movie in Biocity and have some hot popcorn.

MCH Multiarena

With a capacity of 14,000 spectators, the MCH Multiarena is the biggest multi-flexible venue of its kind in Denmark. With its impressive 28,000 square metres the arena is designed to host a huge variety of events such as sports, concerts, shows and entertainment.

With world class service and VIP-facilities MCH Multiarena is able to host national and international events of the biggest scale.

The Women's EHF EURO 2010 final matches were the first event to be hosted in this arena and therefore the first stepping stone on the way to fulfilling the future plans in store for the MCH Multiarena.

The vision of further expansion of the MCH by 2025 would imply a multi-flexible covered hall, stadium, business park, drive-in cinema, adventure land and cable car.
